

Year 9 Enterprise Day – 16th January 2020

Student Evaluation Form

The best part of the day was:

working teams and the general work period
although the first two periods were more productive
in our team than after break. So I preferred the
two periods before break

One thing I would improve about the day is:

I would improve the amount of time we get
and make the items a bit cheaper. I would also
give exacter guidelines to make sure each group
is on the right path.

Year 9 Enterprise Day – 16th January 2020

Student Evaluation Form

The best part of the day was:

Working in teams and having everyone's ideas getting but in consideration for the ride. The best part was also that everyone helped each other out.

One thing I would improve about the day is:

Improving on how expensive the items were and having more items like glue and that no one can get more than 2 tamps because others can't have any.

Student Evaluation Form

The best part of the day was:

How we all got together in groups
and everyone was having fun. I
also like the theme / ideas.

One thing I would improve about the day is:

Use more materials available like
string or plastic, and have a way we
can earn money.

Student Evaluation Form

The best part of the day was:

The best part of the day was being able to build the model of the rollercoaster.

One thing I would improve about the day is:

improve
one thing I would about the day is we could have had more resources, sold at a cheaper price.

Year 9 Enterprise Day – 16th January 2020

Student Evaluation Form

The best part of the day was:

Working together with my
team to plan and organise our roller
coaster and presentation.

One thing I would improve about the day is:

Make it easier for
the teams to make money by maybe having
less of each resource to make trade better.

Year 9 Enterprise Day – 16th January 2020

Student Evaluation Form

The best part of the day was:

Building the Model

One thing I would improve about the day is:

More time on Computer for less money.
They can choose what product they wanted
to design. More materials. Choose
Teams

Year 9 Enterprise Day – 16th January 2020

Student Evaluation Form

The best part of the day was:

building the rollercoaster with the group
was very fun and it was fun being
creative

One thing I would improve about the day is:

Make sure that the kids don't have any
tests to revise for

Year 9 Enterprise Day – 16th January 2020

Student Evaluation Form

The best part of the day was:

Being creative and building
as well as presenting the roller-coaster.

One thing I would improve about the day is:

Make sure that students
don't have any urgent upcoming tests.

Year 9 Enterprise Day – 16th January 2020

Student Evaluation Form

The best part of the day was:

Creating the rollercoaster and
talking about the idea of it. Also talking to each other
in groups was fun. It's also fun seeing what your
friends created.

One thing I would improve about the day is:

Be more careful with
buying the resources and not getting at each other.

Year 9 Enterprise Day – 16th January 2020

Student Evaluation Form

The best part of the day was:

Team work and Designing

One thing I would improve about the day is:

More equipment!!!

More money!!!

Add bonuses like bonus cards or

instructions for an extra price!

(also it would be more fun to create a whole part

in stead of one roller coaster)

Student Evaluation Form

The best part of the day was:

When we decided on our idea and everyone got to work and did a very good job.

One thing I would improve about the day is:

I would improve our time management because then we would have had more time, therefore our end product would have been better.

Year 9 Enterprise Day – 16th January 2020

Student Evaluation Form

The best part of the day was:

Been able to work together as a
 group and build a self-respect / part
 build a story over time it didn't have
 The best answer was

One thing I would improve about the day is:

I would try and create more atmosphere
like and more relaxed with just more colour

Student Evaluation Form

The best part of the day was:

Working together to form something and
being able to look at the finished product at the
end of the day.

One thing I would improve about the day is:

Definitely using less tape and just making
our model more aesthetic.
That includes better planning.

Morgan

Year 9 Enterprise Day – 16th January 2020

Student Evaluation Form

The best part of the day was:

Was the fact that I was in a group with people I wouldn't have considered friend before the experience and yet we were organized and supported each other.

One thing I would improve about the day is:

The presentation could've been more rehearsed
